- (b) whether the Union Government have sent any team of experts for the spot study of the situation during the recent past;
- (c) if so, the findings of the said team;
- (d) the central assistance given to each State to combat these diseases during the last three years and current year so far; and
- (e) the steps taken or proposed to be taken by the Government to seek World Bank assistance to control these diseases?

Answer

MINISTER OF HEALTH AND FAMILY WELFARE AND PARLIAMENTARY AFFAIRS (SMT. SUSHMA SWARAJ)

(a): As per reports received from the State Health Authorities an increase in the number of cases due to viral encephalitis from Andhra Pradesh and Maharashtra, Dengue Fever from Kerala and Karnataka, Kala-azar from Jharkhand and Malaria from West Bengal respectively has been reported. No increase in Filaria cases has been reported. Small-pox has been eradicated globally. State-wise distribution of cancer cases is not centrally maintained.

(b) & (c): Three expert teams visited Andhra Pradesh, two teams visited Kerala, one team to Maharashtra and one team to West Bengal recently. The Teams have confirmed the outbreaks of viral encephalitis in Andhra Pradesh and Maharashtra, of dengue fever in Kerala and Malaria in Jalpaigudi District of West Bengal.

(d): No separate funds have been earmarked for Dengue and Japanese Encephalitis. Expenditure for control of these diseases is met out of the budget allotted under National Anti Malaria Programme (NAMP). Statement showing, State-wise, Central assistance provided under NAMP, Kala-azar Control Programme and Enhanced Malaria Control Project (EMCP) with World Bank support for the last three years is at Annexure-I. Funds will be released during the current year based on the requirements and utilization of balance funds, if any, with the States. Funds released to the States under the National Cancer Control Programme during the last 3 years is at Annexure-II. No Grant-in-aid has been released to any State Government during the current year.

(e): An Enhanced Malaria Control Project (EMCP) with World Bank support in predominantly tribal areas of 8 States is in operation for control of Malaria since 1997.
